RUN DOWN, TIRED.

NINE-TENTHS OF THE AUBURN PEOPLE ARE IN THIS CONDITION.

Our Local Druggists, The Chas. H. Sagar Co., Say "Vinol is What Every Man, Woman and Child Needs at This Season of the Year."

Many people right in this vicinity are all run down, no strength, hardly able to drag about. Don't know what ails them.

In ninety-nine cases out of a hundred it is simply a run-down condition of the system—in other words, general debility.

Our Vinol is the one great tonic reconstructer which they need. It will create strength, tone up the digestive organs, cure all stomach troubles, create a healthy appetite, make rich, red blood and strengthen every organ in the body to do its work.

It will drive away every feeling of lassitude, heaviness and depression, and infuse new life and energy.

Vinol is not a patent medicine, contains no injurious drugs, but it is the most delicate and valuable preparation of cod liver oil known to medicine, without a drop of oil to retard its work.

Mr. Andrew Jackson of Springfield, O., writes: "Every spring for years I have found myself in a worn-out, run down condition, with no appetite, and before commencing the use of Vinol was practically a dead man on my feet."

This wonderful remedy, and am satisfied that it has done for me what doctors have failed to do in all these years. I am well and strong, and my entire system is full of vitality. As a tonic for a run-down, tired, debilitated system Vinol stands at the head."

We wish every man, woman and child in Auburn who is in this condition would try Vinol and prove what it will do. The Chas. H. Sagar Co., Druggists.

For the convenience of Auburn people, The Chas. H. Sagar Co. have arranged with other druggists in the city to sell Vinol.

THREE CAUCUSES TO-DAY.

And Warm Fights on in All of Them Between Hamilton and Conway Forces.

HEAD SOLID SORE

Awful Suffering of Baby and Sleepless Nights of Mother.

CURED BY CUTICURA

Skin Fair as a Lily with no Scar to Recall Awful Sore Writes Mother.

"I herewith write out in full the beginning and end of that terrible disease, eczema, which caused my babe untold suffering and myself many sleepless nights.

"My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of remedies that I could think of, but nothing seemed to help; in fact, it grew worse. Her hair fell out where the sore was, and I feared it would never grow again. It continued until my aged father came on a visit, and when he saw the baby he told me to get Cuticura and apply it to the sore right away.

"To please him I did so, and to my surprise by their use the sore began to heal over, the hair grew over it, and to-day she has a nice head of hair, her skin is as fair as a lily, and she has no scar left to recall that awful sore, and it is over eight months and no sign of its returning."

Mrs. Wm. Ryan, Elk River, Minn. "Cure permanent." So writes Mrs. Ryan, Feb. 25, 1903, six years later: "Your letter of the 19th inst. received, asking in
