AN ECCENTRIC WOMAN.

She Created a Dramatic Scene in City Court This Morning. A rather peculiar case was tried in City court this morning. It was entitled S. H. Barrett & Son against Harriet E. Phelps. The plaintiffs were represented by M. V. Austin, while the defendant appeared as her own attorney and witness. The action was to recover \$14.89 for services and material. Mrs. Phelps, who is eccentric to say the least, objected to about \$3 which she claimed was unjustly charged to her. She took the stand in her own behalf, after she had conducted the defense as an attorney. Her testimony relative to the case was short but she had evidence to present which she claimed came from a source higher than any on earth.

Mrs. Phelps suddenly arose from the chair and opening a paper which she had in her hand said: "A message from the king." Judge Hart knew of Mrs. Phelps' peculiarities and told her he would not allow such evidence. Mrs. Phelps was not to be restrained, however, and pointing her finger dramatically at the judge, cried out excitedly: "You be still, and read the following: 'Looking down and taking Alpha's case in consideration I place the judgment against Barrett & Son one hundred dollars for damage against property and tollance of such act against Alpha, causing others to follow the same example. Hear, I place my hand and seal of Great Jehovah the right hand spokesman in Alpha on the throne exalted forever. For the hour has come to turn back the captivity before their faces. Amen forever.' When she had finished Mrs. Phelps said: "Now if you're got any expert divinites they'll say I am Alpha." As she left the stand she pointed to the window and said: "The signal is in the sky and war and all things are in his hands. I've been called crazy and wronged out of thousands of dollars." "You ought to have a commission appointed over you" said Judge Hart to which Mrs. Phelps replied: "Jehovah is my commission."

"Is that your case, Mrs. Phelps?" asked Mr. Austin. "My case is settled before the face of the king," she replied, "and all the powers of hell can't disturb his seal!" she said, pointing to the paper she had offered in evidence. Judge Hart rendered a decision against Mrs. Phelps and she said as she left the court room that she would never pay it. Frank Twist was granted a judgment against Ella Barkley Allen for \$60.83.

MARRIED AT PHOENIX.

PHOENIX, N. Y., May 4.—One of the prettiest weddings of the season was solemnized in St. Stephen's church, West Phoenix, Tuesday when Mark D. Miller, of Oswego, led to the altar Miss Nellie Andrews, of Phoenix, the Rev. P. H. Beecham performing the ceremony. The bride was charmingly attired in a gown of rose-colored satin brocade, elaborately trimmed with mousseline de soie and pearl passementerie, and carried a bouquet of bride roses. The bridesmaid, Miss Nellie Horrigan, of Baldwinsville, was becomingly attired in white organdie over rose silk, trimmed with lace-edged ruffles and a broad sash of rose satin ribbon, and carried a bouquet of tinted roses. The groom was attended by James Andrews, of Auburn, a popular young man, whose wedding the bride and groom attended yesterday at Auburn, before proceeding on their wedding trip through a large part of Central New York. The young couple are very popular and a host of friends offer congratulations.

DEATH OF D. M. BULKLEY.

David M. Bulkley died last evening of pleuro-pneumonia after an illness of two weeks' duration. He served in the defense of his country in the Third New York Artillery, and has resided in Auburn for many years. He was born in Humer in 1836, and was one of the best cabinet makers Auburn ever had. He was engaged for several years in the undertaking business with John Hubbard. His many friends will be pained to learn of his death. The funeral will be held at the Bradley Memorial chapel Saturday afternoon at 2:30. Burial will be at Fort Hill.

AUBURNIANS HAD TO WAIT.

The train which arrives here over the Ithaca branch of the Lehigh Valley at 7:05 was delayed four hours by a broken journal at Ludlowville last evening. The train was going at a good rate of speed when the accident happened, but the brakes were put on before any great damage was done. Word was sent to this city and an extra engine and work train were sent to the aid of the disabled engine. The passengers, who were nearly all Auburnians, were greatly inconvenienced by the long wait. Engineer Nobles was at the lever and conductor Arthur Bates had the train in charge.

THE WEATHER IS BAD.

But the Mount Camp Black Area is Uncomfortable as They Were. A dispatch from camp this afternoon says: "Camp Black is gradually shaping itself into a regular army camp. The camp is still suffering from a scarcity of water. General Roe has urged the Hempstead Water company to hurry the work of laying the water mains to the camp.

MARRIED BEFORE HE WENT.

Artificer Smith Took Into Himself a Bride on Sunday Evening. A wedding ceremony was performed by Rev. Herbert Regenbogen in St. Alphonsus' church on Sunday evening just previous to the call for the Second Separate company to report at the army to prepare for departure from the city. The contracting parties were Miss Augusta Dietz, and Joseph Smith. The groom is a popular member of the Second Separate company and when the call for volunteers was ordered he came here from Shortsville and offered his services to Uncle Sam. He is the company artificer. The Auburn boys in camp at Hempstead were the first to be apprised of the marriage and they hastened to inform their Auburn friends. Miss Mary Dietz and John Kaiser, another member of the Second Separate, attended the bride and groom.

AT THE SEMINARY.

More Annual Meetings—Men Who Will Graduate With the Class of '98 To-night. Today is another busy one at the seminary. The finals have been concluded, the men have passed them, and while glad they are finished, still feel many a pang to think that they are to leave and go away from the associations of the past three years which have been so pleasant to all. But at the same time there is the knowledge that they have concluded their work of preparation, that they are to go out to new fields and to take up Christ's work, and that they are going to help others in the battle for right and Christianity. The examinations were concluded yesterday and last night the students listened to a scholarly address before the Alumni society by Rev. D. Henry Palmer, D. D. of Penn. Univ., a brother of Rev. Frederick W. Palmer, pastor of the Central Presbyterian church. Mr. Palmer's address was a finished one in commemoration of the services of the late Dr. Edwin Hall, who was connected with the seminary 21 years. Accompanying his address Mr. Palmer presented the seminary with a fine portrait of Dr. Hall.

for company drill goes on three times a day with dress parade in the evening. When night comes the men are ready for sleep and the conveniences for the purpose (such as a feather bed to their tired frames. Some of the commands that came in late last night didn't get their tents up until after midnight and one or two didn't then. The camp was quiet at an early hour to-night and the men went early to their tents. H. J. C.

RICK'S COMMISSION.

It Was Received by Him To-day and He Will Begin Recruiting at Once. Fred R. Rick, who was appointed recruiting officer of the Second Separate company, N. G. N. Y., which is to take the place of the Second Separate company, now Company N, at Hempstead Plains, received his commission this morning and will begin the work of recruiting at once. Mr. Rick said today that about 30 people had already signified their desire to join the new company.

It is announced from Albany that within a few days the Governor, by the adjutant general, will issue a lengthy order giving the necessary instructions to all recruiting officers for the enlistment of men to re-establish the companies to take the places of the volunteers. The order in part will say: "When the minimum number of men has been recruited the fact will be reported to headquarters, when an order will be issued for the inspection, muster and election of officers of the company. Minimum strength of a company of infantry is 30; of a troop, 31 enlisted men.

"While the period of service is five years, except in case of re-enlistment, it must be distinctly understood that the organizations under this order will be disbanded upon the return of the organization they are raised to replace. "All officers and enlisted men who did not volunteer with their organizations will at once report to the person authorized to recruit regiments and companies to replace their respective organizations and assist them in their work.

"Every person who enlists or re-enlists shall sign and make oath to an enlistment paper which shall contain an oath of allegiance to the State and the United States. "The reputation and usefulness of the National Guard depend in no small degree upon the character and qualifications of the men enlisted, and officers charged with the responsible duty of recruiting should therefore fully appreciate its vital importance and perform it conscientiously.

The order will furnish recruiting officers with all the necessary details relative to the medical examination that recruits will have to pass to be enlisted. They are the same as those demanded by United States Army regulations.

DR. CAMPBELL'S RED BLOOD FORMING CAPSULOIDS.

Is the season for new life in nature, new vigor in our physical systems. As the fresh sap carries life into the trees, so our blood should give us renewed strength and vigor. In its impure state it cannot do this, and the aid of Hood's Sarsaparilla is imperatively needed. It will purify, vitalize and enrich the blood, and with this solid, correct foundation, it will build up good health, create a good appetite, tone your stomach and digestive organs, strengthen your nerves and overcome or prevent that tired feeling. This has been the experience of thousands. It will be yours if you take Hood's Sarsaparilla. The Best Spring Medicine and Blood Purifier. Sold by all druggists. Hood's Pills cure constipation, biliousness, indigestion, etc. 25 cents.

that it will be a week before the mustering officer turns his attention to the Auburn men. The majority of them do not meet all requirements they will be sent home, but not until they.

Officers of the Third.

The officers of the Third regiment are now all appointed except adjutant and quartermaster. The officers are: Colonel, E. M. Hoffman, of Elmira; lieutenant colonel, W. M. Kirby, of Auburn; majors, William Wilson, of Geneva, and Mighels B. Butler, of Niagara Falls; surgeon, Dr. W. J. Buller, of Oswego; assistants, D. R. Howland, of Elmira, and A. F. Hodgman, of Auburn. The adjutant will probably be G. W. Nellis of Auburn and the quartermaster presumably an Elmira man.

General Orders No. 2.

Gen. Roe has concluded that Camp Black had time to settle down, and to-day the hard and grinding work provided for in General Orders No. 1 begins. General Orders No. 2 were issued by Gen. Roe yesterday. They are as follows:

CAMP BLACK, HEMPSTEAD PLAINS.

By order of the Governor the troops in camp will consist of three brigades, as follows: No. 1. The Sixty-fifth Regiment and the Second and Third provisional regiments will form a brigade, which Brig. Gen. Robert Shaw Oliver is assigned to command.

No. 2. The Thirtieth Regiment, the Fourteenth Regiment, and the Forty-seventh Regiment will form a brigade which Brig. Gen. McCoskey Butt is assigned to command.

No. 3. The headquarters guard will hereafter be furnished by brigades in turn, in the following order: May 7, Gen. Butt; May 9, Gen. Oliver; May 11, Gen. Smith's. For May 4 Col. Sangor is detailed as field officer of the day, the guard to be furnished by the commissioned officers of the Seventy-first Regiment.

No. 4. On and after May 5 brigade commanders will, in their brigades, require the performance of all duties as provided by G. O. No. 1. They will preserve order in their respective brigades and will give such assistance to the Provost Marshals as may require. By order of Major-Gen. CHARLES E. ROE, STEPHEN H. OHLIN, Adjutant.

The paragraph referring to General Orders No. 1 is the most significant in the order. It means that the drudgery is to begin. Before it is over with there will be many a man in Camp Black weary of the work, but mighty few who will not be better soldiers for it all.

Prayer, were said at 8:45 this morning and were followed at 9 o'clock by the annual meeting of the Board of Commissioners in Professor Riggs' lecture room, and the annual meeting of the Board of Trustees in President Barn's lecture room.

The commissioners were organized with Mr. Fitch of Ithaca, president, Rev. F. W. Palmer, of this city, stated clerk, and Rev. John T. Stone, of Cortland, assistant. A large number was present and considerable business was transacted, but it was of a routine nature and nothing was given out for publication.

The Board of Trustees was organized with Rev. Levi Parsons, D. D., of Mt. Morris, president, and Charles I. Arery, of this city, clerk. Among those who were present were M. W. Striker, president of Hamilton college, Hon. Charles A. Hawley, of Seneca Falls, Hon. James H. Loomis, of Attica, Rev. George B. Skauldung, of Syracuse, Hon. John D. Teller, of Au-

burn, John H. Osborne, (Clarence) Baldwin and Hon. Charles C. Dwight.

The Board elected officers for the ensuing year and five trustees. The officers are: President, Rev. Levi Parsons; vice president, Charles C. Dwight; treasurer, Levi S. Gates; all re-elected; and Charles I. Avery was chosen secretary to succeed James Seymour, jr. Four directors were chosen to succeed themselves as follows: Rev. Levi Parsons, John D. Teller, C. I. Avery and John H. Osborne. Jared T. Newman, of Ithaca, was chosen to succeed the late George C. Buel, of Rochester.

There were reports from various committees and the treasurer, all of which were most satisfactory, and the latter report being especially so, and showing a clean balance.

Committees on Finance, Grounds and Curriculum were appointed for the coming year.

At noon a short meeting of the Western Education society was held in Professor Riggs' lecture room after which an adjournment was taken to the parlors of a Presbyterian church, where, at 1 o'clock, the ladies of the church served the annual annual lunch. This was purely a social gathering and was most enjoyable. After the lunch speeches were made by various clergymen, Rev. A. J. Huston of Cortland, acting as toastmaster. Among those who spoke were Rev. Joseph C. Gamble, moderator of the Synod of New York, and Harry Clements, who answered for the graduating class.

This evening at 7:30 at the First Presbyterian church the annual commencement exercises of the graduating class will be held. The following program has been prepared:

Orations: "The Popularity of Jesus," Henry R. Barstow; "An Age of Faith," Tracy M. Griswold; "The City of God," Sherman W. Haven; "Organic Jurisprudence," Nevin O'Brien; "The Social Value of the Home Missionary," Nathaniel McGinnis; "The Present Message," William L. Sawtelle; "The Nobility of Service," John H. Sewell.

Address and offering of diplomas. Prayer and benediction. Orest, Fugue from Pastoral Sonata, Rheinberger.

The following list shows the men who are in the class and who will receive their diplomas: John Bamford, Henry Hayden Barstow, Herbert Rowell Bates, Nicholas S. Becker, Herbert Ray Burgess, William Wallace Chambers, Edward Scott Claflin, Horace Greeley Clair, George Clark, Harvey Depute, James Alexander Collins, David Lewis Cooke, David C. FINED FOR FIGHTING. Two fighters and a drunk made up Recorder Clark's docket this morning. William J. Cheney and William Brown were arraigned by Officer Graney this morning on warrants charging them with fighting in Water street on April 25. The men pleaded guilty to the charge and each was sentenced to pay \$5 or go to jail for 20 days. The fines were paid from Rochester who did not have \$2 to pay a fine for intoxication went to jail for 10 days.

DR. A. W. CHASE'S OINTMENT. A Druggist's Opinion of its Wonderful Merit.

BUFFALO, N. Y., May 5.—Mrs. H. J. Palmer, of 403 E. Eagle St., speaking of Dr. A. W. Chase's Ointment, said: "My husband is a druggist and as soon as I showed him Dr. A. W. Chase's Ointment remarked that he knew that it contained several of the greatest healing ingredients known to modern science. In the center of my back I had an irritating skin eruption which gave me much distress from itching and burning. It seemed to me to be eczema or salt rheum and nothing would stop the terrible itching. Dr. A. W. Chase's Ointment gave relief at the first application and has since entirely cured it. My sister also used this ointment for blackhead pimples with excellent results. I think Dr. A. W. Chase's Ointment a wonderful healer and gladly recommend it. Yours sincerely, MRS. H. J. PALMER."

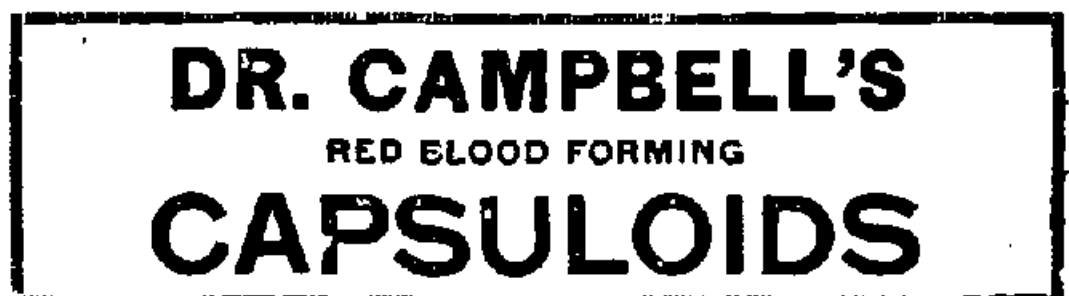

Dr. A. W. Chase's Ointment has never been known to fail to cure eczema, salt rheum and pimples when given a fair trial. For sale by the Chas. H. Sagar Co., or Dr. A. W. Chase Med. Co., Buffalo, N. Y. Send 5c for sample and a copy of Dr. Chase's Recipe Book.

Two Ounces of Blood Daily are added to your veins by taking one of Dr. Campbell's Red Blood Forming Capsuloids with each meal three times daily. This is the only Natural Iron known. It is the Natural Iron extracted from the blood of healthy bullocks. Results in a case of severe kidney trouble after only four weeks' treatment. Mr. Fred Latimer has written us as follows:

TRUCK, N. Y., N. Y. I had my first attack of kidney trouble, following a heavy cold. The pain in the back was severe and there was another over the kidney. I rapidly lost in strength, weight and color. I got over my acute attack, but my kidneys were left weak and tender. Several small attacks now further weakened my kidneys, and about a year ago I had the worst attack of all. I was confined to my room for eight weeks. My doctor attended me constantly and by his ability pulled me through, but when I got around again I found my kidneys were in the same bad state. A friend of mine, a doctor, had me try Capsuloids. I bought one I ordered, and taking them. Now everything is all right and my health has been restored. My appetite has improved, I have lost that awful kidney complaint and have a good, healthy, strong appearance with loss of color in my face. Just of all, all the kidney symptoms that so worried me have disappeared. It is hard even for me to believe, but it is perfectly true. I feel thankful to the Capsuloid Company. Sincerely yours, FRED LATIMER.
