

Auburn Morning News

Official Paper of the County.

MONDAY, MAY 11, 1874.

City and County.

Mr. George W. Reed, agent of the Howard Combination, is in town.

Over six hundred ladies at Watkins signed a protest against the granting of licenses in that village.

Soda water, ice cream, and a fresh stock of Albany cream biscuits and other fancies, are announced by Matthews.

Donaldson is to make a balloon ascension from Seneca Falls on Wednesday next, at or near the hour of noon.

The recent temperance address of Rev. Julius Robbins, at this city, before a Waterloo audience, is highly complimented.

The game laws are to be enforced by Union Springs fishermen, as far as their neighborhood of Cayuga Lake is involved.

The two companies, located at Seneca Falls, of the 49th Regiment, are ordered to report in this city on the 26th, for the Regimental inspection.

Mr. E. J. Wickson of the Utica Herald, was present yesterday to attend the funeral of Maj. Schenck. He was the guest, while in town, of Ed. Baldwin, Esq., City Clerk.

Hon. Henry Smith and wife, of Albany, are at the St. James. Mr. Smith is here to assist the District Attorney in prosecuting the case of Donahue, on the new trial this week.

The Black Crook party, numbering thirty-six, will stop at the St. James, where a portion of them arrived by the 8:40 train yesterday. A special car brought the properties of the exhibition.

The steamer "Frontenac" runs daily, on Cayuga Lake, leaving Cayuga at 2 P. M., for Ithaca and intermediate points. The "T. D. Wilcox" made her first trip on the 7th, with a tow of canal boats.

The Syracuse Courier, in its new dress, makes a handsome appearance. The Courier evidences a flourishing state of prosperity, won by enterprise and a determination to excel its local contemporaries.

No election of Treasurer has yet been made by the Seward Avenue Railway Directors. President O'Hara manages the road as Superintendent and Treasurer. Mr. Gilbert Treat has been chosen a Director in place of H. V. Quick, resigned. Other resignations in the Board have not as yet been acted upon.

The team of Ed. Hodson, of Senett, was scared by a street car on North street, Saturday, while they were standing unhitched, except to a democrat wagon. They ran into Genesee street, colliding with three other vehicles on the way, losing a rear wheel from the wagon, and nearly causing death to several ladies on the walks and crossings. The untended for animals were last seen rushing over West Genesee street hill, since which we learn that they were finally stopped near John Coanman's, a half mile north of Half Acre, in Aurelius, with nothing to drag save the forward wheels of the democrat—the balance of the rig, box, seats and rear wheels being distributed along the route behind. We did not learn whether or no the hitching strap was saved.

NEW STEAMER.—Supt. J. G. Knapp, of the Southern Central, has been to Buffalo to procure the inspection of the newly built steam tug recently purchased by the Southern Central, for use at Fair Haven. The vessel is of the largest size, and in every way first-class for its purpose, and is expected at "the Bay" some time this week.

NARROW ESCAPE FROM A FIRE.—A fortunate discovery, yesterday, prevented a serious fire in the "Club House" saloon, on North street. Alarmed by smoke, out siders traced the fire to that locality, where the west end of the bar was found to have caught fire from underneath, and was burning briskly. The woodwork had been undergoing the process of oiling, and it is perhaps safe to say that, during the absence of the inmates, spontaneous combustion occurred among the cloths used in oiling the wood. One panel was burned out of the counter. Damage light, the fire being promptly quenched.

Funeral of Maj. Schenck.

The funeral of the lamented Maj. Theodore H. Schenck was attended yesterday, at the residence of the afflicted parents, on Hulbert street, by a large concourse of friends and former military comrades, the members of Post Crocker, Grand Army of the Republic, Exempt Hose, and members of the Veteran Association wearing appropriate badges of mourning, and bearing in procession the national colors, draped, Rev. Dr. S. W. Boardman, of the Second Presbyterian Church, officiated.

At the conclusion of the service at the residence, the Societies formed in line and passed into the apartment where the remains in a laid handsome casket, on which were laid beautiful floral emblems. Taking the last look at their fallen comrade, they filed out through the grounds, to the street, where they were then formed in two lines, facing inward, extending from the front entrance of the house to the hearse, the pall bearers bearing the remains through the interval, the line remaining with heads uncovered meanwhile.

The bearers, former officers in the Old Nineteenth Infantry and Third Artillery Regiments, in which Maj. Schenck served, were Col. T. J. Kennedy, Col. Charles H. Stewart, Maj. Paul C. Woodruff, Capt. George E. Ashby, Capt. W. E. Kirby, Lieut. and Adj. Jay E. Storke.

The procession passed into Clark street, thence to Genesee street, and thence to Fort Hill Cemetery, the line being formed as follows: Post Crocker, G. A. R.; members of Veteran Association; members of Exempt Hose; the hearse; family and friends in carriages; citizens on foot. The burial service was said by Rev. Dr. Boardman, and the vault enclosed the young and gallant soldier, the brilliant writer and generous comrade, whose loss is felt to be a public sorrow as well as a private grief to his personal friends.

THE BLACK CROOK TONIGHT.—The Opera House this evening will possess rare attractions for the lovers of sensation. The scenic display of the piece as presented by Messrs. Bidwell & McDonough, is superior to anything before exhibited here. Thirty ballet dancers and a corps of special performers are on the bills. The St. Louis Republican speaks as follows in regard to the entertainment:

"There is nothing either to be seen or heard that can offend the most fastidious taste. The invention of the spectacular for the stage was exhausted in its production, and its moving scenes constitute a panoramic dream of the beautiful. There are no dull waits, not even between the acts, the whole time being delightfully filled up with orchestral specialties. There are soloists in instrumentation and vocalization in the orchestra, who keep up the entertainment while the scenes are being arranged and set behind the curtain. No one can leave the theatre between the acts without losing something good in the performance. Everything is sharp, brisk and entertaining, and keeps the interest constantly on the alert.

"Of the specialties there are some excellent features. Jennie Benson and Baby Benson at once mounted high in popular favor. Miss Alice Seidler sings a good song, and sings it well. Mlle. Eugenie Lupo is an excellent premier danseuse. A. M. Hernandez made a good deal of music and mirth with his guitar. The third act in the illuminated castle was the most entertaining of all, full of specialties, singing, dancing, &c. 'The Imperial Japs,' by the Hernandez troupe, were marked features, and Baby Benson, although very small, occupied a large space. The fourth act contains little except a combat, and the transformation scene, which is enough itself."

INTERFERING WITH OFFICERS.—Officers Brown and Donlon arrested an intoxicated subject on State street, Saturday evening, and were followed to the station house by a crowd in sympathy with the prisoner. Noisy demands were made by some of the followers to "shoot them!" "kill them!"—meaning the officers. One of the party was arrested, and held for examination this morning. Such riotous proceedings are disgraceful, and should be properly punished. Officers should be protected and assisted by the people—rather than abused and interfered with. The most persistent attempts were made during the night, and on Sunday, to induce Mayor Ross to order the release of the party arrested for interference, but the facts as presented by Chief of Police Cootes and the officers, deterred him from interfering with the arrested party.

SPORTSMEN.—The Central City Club, of Syracuse, have been challenged to a friendly shooting contest by the Phoenix Sportsman's Club of Seneca Falls.

SPRINKLER.—A license has been granted to Daniel Tolan, grocer, Washington street. Price \$100. The case of Frank Devitt, for violating the excise law, is postponed by the Excise Board.

IMPORTANT TO LANDLORDS.—A Madison county court released a recusant hotel boarder from an action for debt on his cash account, because the defense set up and proved that the rooms had no printed lists of prices for meals, lodging, &c.

SAURDAY, May 9, 1874. The grand jury presented to the court seventeen indictments, and were discharged this morning.

The District Attorney arraigned the following: Horace Maynard, for larceny: in stealing a watch.

The above pleaded not guilty, and will be tried at the Sessions in June.

William Carl, for grand larceny, in stealing harness and robe valued at \$25, property of Geo. N. Chamberlain, of Brutus. Plead guilty and was sentenced to Auburn prison for one year.

John McNarey, of Montezuma, for an assault upon an officer while in the discharge of his duty, plead not guilty and gave bail in the sum of \$300, for his appearance at the Sessions in June.

Petit jurors were excused until Monday at 2 o'clock.

An Appeal to the Women of Auburn.

In view of the prevalence of intemperance in our city, and the sorrow and suffering it has brought to many of our homes, sparing neither age nor station, we appeal to you, women of Auburn, of every class of society, to abstain from the use of all intoxicating liquors as a beverage, and, by your example and influence, help to banish the use of it as a rite of hospitality from all our homes; and that you commit yourselves, unreservedly, to the cause of temperance. The prayers of heart-broken and crushed women, who see, in this great movement all over the land, the hand of God, and take courage, plead with you to make this pledge.

Mothers, who look with anguish upon noble sons, sobbed by their nobleness and purity by this terrible vice, plead by their stricken hearts for you to come now, when God's spirit is stirring his people to unusual efforts in this reform, and help remove the curse from our community. For the sake of immortal souls Christ died to save, and because "none liveth unto himself," we ask you to give your time, influence and prayers, to save those in peril, it may be one of your own household, from this way of death. By order of Executive Committee, Woman's Temperance Union.

SPECIAL LECTURES.—Dr. Beardsley will give a special lecture at 2 2:30 P. M., to day, at the Academy of Music, to ladies only. Doors open at 2 o'clock.

He will also give a special lecture at 8 o'clock P. M., to gentlemen only.

PERSONAL.—Gen. John H. Chedell and Charles A. Smith, Esq., have gone to Washington and elsewhere for a trip of several weeks.

Hon. E. Graves, Inspector in charge of Auburn prison, arrived on Saturday. He reports that Governor Dix will sign the convict commutation bill on arriving home at Albany, after a short absence.

The weekly meeting of the Women's Temperance Union will be held in the lecture room of the Second Presbyterian church, this Monday afternoon, at half past two o'clock. First half hour devoted to devotional exercises.

By order of Executive Committee.

LICENSE.—A license has been granted to Daniel Tolan, grocer, Washington street. Price \$100. The case of Frank Devitt, for violating the excise law, is postponed by the Excise Board.

IMPORTANT TO LANDLORDS.—A Madison county court released a recusant hotel boarder from an action for debt on his cash account, because the defense set up and proved that the rooms had no printed lists of prices for meals, lodging, &c.

Disease of the Blood.

"The Blood is the Life." When this source is corrupted, the painful and sorrow-producing effects are visible in many shapes. The multifarious forms in which it manifests itself, would form subjects upon which I might write volumes. But as all the varied forms of disease which depend upon bad blood are cured, or best treated, by such medicines as take up from this fluid and excrete from the system the noxious elements, it is not of practical importance that I should describe each. For instance, medical authors describe about fifty varieties of skin disease, but as they require for their cure very similar treatment it is of no practical utility to know just what name to apply to a certain form of skin disease, so you know how best to cure it. Then again I might go on and describe various kinds of scrofulous sores, fever sores, white swellings, enlarged glands, and ulcers of varying appearance; might describe how virulent poison may show itself in various forms of eruptions, ulcers, sore throat, bony tumors, &c.; but as all these various appearing manifestations of bad blood are cured, by a uniform means, I deem such a course unnecessary. Thoroughly cleanse the blood, which is the great fountain of life, and good digestion, a fair skin, buoyant spirits, vital strength, and soundness of constitution, will all return to us. For this purpose Dr. Pierce's Golden Medical Discovery and Purgative Pellets are pre-eminently the article needed. They are warranted to cure Tetter, Salt Rheum, Scald Head, St. Anthony's Fire, Rose Rash or Erysipelas, Ring-Worms, Pimples, Blotches, Spots, Eruptions, Pastules, Boils, Carbuncles, Sore Eyes, Rough Skin, Scuff, Scrofulous Sores and Swellings, Fever Sores, White Swellings, Tumors, Old Sores or Swellings, Affections of the Skin, Throat and Bones, and Ulcers of the Liver, Stomach, Kidneys and Lungs.

A French trumpeter, lately deserted from Belfort with all the bag and baggage he could carry. Safely arrived on Swiss territory, he took position on a rock, turned his face towards France and his pursuers, put his trumpet to his mouth and played the old melody of Bertrand's Farewell.

The body of Dr. Livingstone was very much decomposed when it arrived in England, but the condition of the bone of the left arm, of which there has been an un-united fracture, the result of a bite of a lion, over thirty years ago, was so clear that the identification of the body was placed beyond a doubt.

DON'T BE DISCOURAGED.—Suppose you have "tried fifty remedies" and received no benefit, is there therefore "no balm in Gilead?" Verily there is. Your liver may be congested, your stomach half paralyzed, your nerves quivering, your muscles knotted with torture, your bowels constricted, your lungs diseased, your blood full of impurities,—yet in one week after commencing a course of Dr. WALKER'S VINEGAR BITTERS, you will feel like a new creature. apr28ad4w
