SATURDAY SHORT ONE.

And the Supervisors' Meeting Was Not Profitable to Important Business.

The tenth day's session of the Board of Supervisors this morning was the usual brief one of Saturday.

A petition from the Auburn Typographical union, presented by Supervisor Heick, asked that the Board place the union's label on all its printing matter, especially on the copies of the proceedings. It was referred to the Committee on Printing without debate. It was signed by Frank E. Wilkins, president, and Thomas C. Shandley, secretary-treasurer.

Supervisor Allen from the Committee on Law and Legislation, presented a number of bills which were laid over.

Supervisor Ladue presented a petition from Frank E. Gilbert, of Brutus, stating that his property had been excessively assessed and asking that the assessment be reduced. Referred to the Committee on Equalization.

A communication was read from State Engineer and Surveyor Bond regarding the annual road convention to be held in Albany in January, asking that three or five members of the Board be designated to attend the convention and, if desired, that three or five highway commissioners of the county be also designated. The communication stated that about 300 miles of road had been built at a cost of \$2,000,000. Referred to the Committee on County Roads.

Supervisor Farrell presented the report of Justice of the Peace Higgins, of Montezuma. Referred to the Committee on Justices and Constables.

A resolution by Supervisor Wormuth directed the clerk to issue checks to all persons whose claims have been allowed. Carried.

Adjourned, on motion of Supervisor Powers.

REMARKABLE SUCCESS

Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases, known by other names, are really catarrh. Formerly the name catarrh was applied almost exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, whenever there is mucous membrane there is a feeding ground for catarrh. The usual remedies, inhalers, sprays, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and liver, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh.

It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large pleasant tasting lozenges, composed principally of antiseptic ingredients, Blood root, Red Gum and similar catarrh specifics.

Dr. Ainslie in speaking of the new catarrh cure says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkably satisfactory results. They clear the head and throat more effectually and lastingly than any douche or inhaler that I have ever seen, and although they are what is called a patent medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver or bladder will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.

SENTINELS HAD A GOOD TIME.

The Sentinels of the First Presbyterian church held an enthusiastic business meeting together with a highly appreciated entertainment last evening. Solos were rendered by Albert Cooke and Warren Stone, Master Herbert Wood sang two soprano solos, Henry Hancock rendered several violin solos with Miss Teale as accompanist. Luncheon was served at the close of the entertainment after which the class proceeded to election of officers to serve for six months which resulted: President, Harvey Gallinger; vice president, Charles Austin; secretary, Robert McCull; assistant secretary, Clayton Brock; treasurer, George C. Kolloff.

John M. Lamont, of the seminary, has been chosen teacher of the class and has made himself very popular among the members.

FROM FRANCE.

Last February we placed a large order for opera glasses which one of the leading manufacturers of these goods in France and have just received them. We had them made with or without handles in white oriental, opaline and smoke pearl, also in the less expensive styles of aluminum, gilt and black, ranging in price from \$2.50 to \$15.00. Every pair has our name engraved on them, which is a guarantee of quality. A pair of opera glasses always makes a handsome Christmas present and we want you to call and see them, for after doing so we know you will say we have the finest stock ever shown in Auburn. Our line of eye glass cases, books, chainette cases and opera glass bags for the holidays is complete.

AUBURN CHAPTER THIS TIME.

State Officers of Eastern Star Again Elected and Given Prizes.

Auburn chapter, Order Eastern Star, tendered a reception to visiting grand officers of the order in its lodge rooms in Exchange street last night. The visiting officers were Most Worthy Grand Matron Anna Wass, of Brooklyn; Most Worthy Grand Patron John P. Fralick, of Syracuse; Assistant Grand Lecturer E. F. Penny and Grand Chaplain Rev. Cordello Herrick, of this city; District Deputy Grand Matron Mrs. E. E. Walpole, of Syracuse. After the visitors had been received in due form addresses were made by each, which were followed by the presentation of a handsome cut glass dish to the most worthy matron by the Auburn chapter, the presentation being made by Worthy Patron E. B. Peck.

Grand Chaplain Rev. Cordello Herrick presented Most Worthy Grand Patron Fralick with a gold scarf pin, on behalf of Auburn chapter, and the return was made the recipient of an "Encyclopedia and History in Masonry," by the chapter, the presentation being made by Worthy Matron Mrs. Carrie Pratt.

The following entertainment programme was then rendered: Piano duet, Misses Nolan and Baird; recitation, Mrs. Van Camp; whistling solo, Mrs. Van Camp; piano solo, Mrs. Nolan; recitation, Mrs. Van Camp; piano solo, Harry Todd; flute solo, Walter Benius. At the conclusion of the programme refreshments were served in the banquet hall.

MILLO WEBSTER DEAD.

Well Known Old Soldier Suddenly Summoned by the Divine Commander.

Milo Webster, one of Auburn's oldest business men, died suddenly at his home, No. 68 Genesee street, shortly after 10 o'clock last night, at the age of 69 years. The deceased was born in Auburn and for years conducted a grocery business which he disposed of some years ago and entered into the purchase and sale of second hand goods of all kinds. He was at his usual place of business in State street yesterday, leaving for home on the 5 o'clock train. Shortly after his arrival home he was attacked with a fainting spell, to which he had been subject during the past few years.

Dr. Jenkins was hastily summoned, but despite the physician's most strenuous efforts Mr. Webster failed rapidly and passed away about 10 o'clock.

The deceased is survived by a widow and two brothers, William E. and Martin S., all of whom reside in this city. He was a veteran of the Civil war and held the position of officer of the day in Seward post, G. A. R., at the time of his death.

With him passed the third generation of the Webster family bearing the name of Milo, all of whom served with distinction as soldiers in the United States army. His grand father, Milo, served in the Revolutionary war; his father, Milo, in the war of 1812; and himself in the War of the Rebellion.

The funeral will be held at the First Presbyterian church to-morrow afternoon at 3 o'clock. Burial will be at Fort Hill. The services will be in charge of his old comrades of Seward post, G. A. R.

To say that this splendid work of science and art is finer and better than ever, is stating it mildly. The demand for it is far beyond all previous years. To say that such results, reaching through thirty years, are not based upon sound sense and usefulness, is an insult to the intelligence of the millions.

Prof. Hicks, through this great Almanac, and his famous family and scientific journal, Word and Works, is doing a work for the whole people not approached by any other man or publication. A fair test will prove this to any reasonable person. Added to the most luminous course in astronomy for 1903, forecasts of storms and weather are given, as never before, for every day in the year, all charmingly illustrated with nearly two hundred engravings. The price of single Almanacs, including postage and mailing, is thirty cents. Word and Works with the Almanac is \$1.00 a year. Write to Word and Works Publishing Co., 3201 Locust Street, St. Louis, Mo., and prove to yourself their great value.
