He enlisted in Captain Huges' company of the 9th Artillery and, going to the front was severely wounded at Cedar Creek. He was fortunate and returned home, and recovered his strength, went back to his regiment where in the final grand crash, and was wounded in front of Petersburg. He was convalescent in time to take part in the grand review at Washington, during which he was quartered at the barracks. The army being disbanded, and broke his thigh. His funeral will be attended by Crocker Post in a body.

At Sheriff's Sale. The stock of Shoe Dealer Fiero Sold for about \$50 Per Cent.

The entire stock and fixtures of Josiah Fiero's shoe store were sold this morning at public auction by Sheriff Mead at the old stand in Genesee street. By 10 o'clock the shoe dealers and others assembled in numbers. At 10:10 the sheriff arrived and, after a few preliminary remarks, stated the terms of the sale which were spot cash. The stock had been divided up into 6 lots. There was lively competition and active bidding among the dealers, but Rosenbloom finally purchased 5 of the 6 lots offered. The inventory showed the value of the stock to amount to about \$18,500 and the sale was \$11,375 or about 61 per cent of the cost price. The second lot was knocked down to Ingalls for \$650. It seemed to be the opinion of the shoe dealers that the sale was a good one for a sheriff's sale.

J. Warren Mead, Sheriff. Sold this A. M. to Messrs. S. Rosenbloom & Sons, of this city, the entire stock of Boots, Shoes and Rubbers of J. Fiero, 95 Genesee street, in addition to the store fixtures, in total amounting to \$19,585.13, for the cash sum of \$10,870.00, and Messrs. Rosenbloom will again re-sell, at the same great reduction from regular price, to the people of Auburn and vicinity. Day and date and place of sale will be announced in to-morrow's paper. THEY PROTEST.

The City Supervisors Against the Extension Act.

Duty Supervisor in the City Signs a Remonstrance Against It.

The supervisors of the city of Auburn met at William Laney's store on Market street yesterday afternoon for the purpose of preparing a communication to send to Governor Hill protesting against his signing the bill recently passed by the Legislature providing for the payment of the interest on the Southern Central railroad bonds and extending the time for the payment of the principal.

At the meeting yesterday afternoon all the supervisors were present except Supervisor Fowler, who is in New Mexico. The meeting was called to order by Chairman Laney and Mr. Barnes was master of ceremonies. The following was then read by Chairman Laney:

To his Excellency David B. Hill, Governor of the State of New York. The undersigned the supervisors of the City of Auburn, N. Y., do hereby protest against the attachment of your official signature to a bill passed by the legislature of said State on Friday, the 17th day of February, 1888, of which the following printed clipping is substantially a copy. Then follows a printed statement of the bill.

Before any discussion upon the communication could take place the following was offered by Mr. Hall:

WHEREAS, heretofore, and on or about the 20th day of December, 1887, the supervisors of the city of Auburn, N. Y., made application and delivered to the railroad commissioners of the city of Auburn, N. Y., an order upon the city treasurer of the city of Auburn, N. Y., for the payment to them of the sum of \$21,550 for the payment of interest upon bonds outstanding against said city of Auburn to become due March 1st, 1888, and whereas in our opinion the said order has been misappropriated and applied for other purposes than those for which it was intended. And

WHEREAS, previous to the 7th day of Feb. 1888, the said supervisors by resolution declared the said order aforesaid null and void and of no effect and that thereafter Feb. 7th a duplicate order for the said sum of \$21,550 was duly made and executed and delivered to the said commissioners for the payment of the said interest upon the said city bonds as aforesaid, upon the pledge of the chairman of said commissioners that in case of the refusal of the said city treasurer to pay the said duplicate order on its presentation to him, he would immediately return it to this body. And

WHEREAS, said duplicate order has been presented to said city treasurer for payment and payment thereof been demanded and refused and the said commissioners having failed and neglected to return said duplicate order:

Resolved, that the said railroad commissioners of the said city of Auburn do and they hereby are, directed to return the said duplicate order to William Laney, Esq., chairman, who is hereby delegated by the said supervisors of the said city of Auburn, N. Y., to receive the same.

Mr. Reynolds amended that the chairman with two supervisors be appointed as a committee to demand from the railroad commissioners the second order referred to them by the supervisors to be returned to the chairman of the supervisors of the city of Auburn.

Mr. Reynolds spoke at some length upon the subject and declared with some emphasis that the order should be demanded of the commissioners and if it was carried through a dissenting voice.

The chair appointed Supervisors Hudson and Hall as such committee. On motion of Mr. Morrissey, the supervisors then adjourned to the council chamber of the city hall. When the supervisors had gathered there a long discussion took place as to whether or not it would be proper or necessary to send a paper to the governor requesting him not to sign the bill.

Mr. Morrissey moved that the communication to the governor be signed by the supervisors and mailed to the governor at once.

Samuel Brill moved to attach the following and the motion was carried. By Mr. Hudson:

The undersigned members of the Board of Supervisors, of Cayuga county, in and for the several wards of the city of Auburn, hereinafter mentioned, would respectfully represent that they signed a certain resolution to your excellency to sign a bill passed by the legislature Feb. 17th, 1888. (Then follows the act.) "Under a misapprehension of the facts in the case, and hereby withdraw our signatures from said instrument."

NICHOLAS HARR, WILBUR B. BARNES, WATSON N. HUDSON, SAMUEL BRILL. The supervisors then signed the communication and their acknowledgment was taken by City Clerk Healy. The chairman was instructed to mail the letter to the governor, on the evening train and the supervisors then adjourned.

John Henry pleaded with Anella. And all his passion tried to tell her. She said "John H. your words you waste, your breath offends me, so I say, You SOZODONT or stay away."

To Neutralize Offensiveness. In many forms we use disinfecting agents. Impure breath, caused by bad teeth, tobacco, spirits or catarrh, is neutralized by SOZODONT. This a healthful beautifier, and a great luxury as a deodorant. The repulsive breath is by its use rendered as fragrant as a rose, and confidence by friends or lovers will be no longer noticed.

PRISCILLA, spinning long ago, sighs as she thinks how soon her linen will lose its glossy luster when, the wash, it once or twice has been in. She does not know that in the soap the evil lies that makes her suffer, its great excess of alkali, which cuts the fiber, makes it rougher.

Our modern maidens need not sigh since IVORY SOAP has been invented. Containing no free alkali—by which this ruin is prevented. For linen washed with IVORY SOAP in snowy beauty'll ne'er diminish. But always, while it lasts, preserve its pristine gloss and lustrous finish.

A WORD OF WARNING. There are many white soaps, each represented to be "just as good as the Ivory"; they ARE NOT, but like all counterfeiters, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it. Copyright 1888, by Procter & Gamble.

Gas in S. W. Water. A Discovery by Health Officer Parker—The Disease Most Common.

A regular meeting of the Board of Health was held in the secretary's office at the City Hall last evening. All the members were present except the Mayor and in his absence Commissioner Bell presided. Health Officer F. D. Parker, read his report touching the various points concerning the physical welfare of the city, which had been brought to his notice. He reported the presence of illuminating gas in the sewers, stating that this often came up through the traps into the stores about the corner of Genesee and State streets, and suggested that the Board cause the use of light gas to be adopted some plan that would keep gas out of the sewers. The Doctor reported that a few cases of diptheria had been brought to his notice since the last meeting but nothing lately of a contagious nature had been reported.

Two residents of Cross street were present and explained to the Board the bad condition of the sewers in that locality. They said that many cellars in that neighborhood were filled with water and as a result the occupants were more or less troubled with sickness.

That part of the Health Officer's report that related to the presence of coal-gas in the sewers was discussed at some length and finally culminated in the adoption of the following resolution which was offered by Com. Tites: That the Common Council be requested to cause a ventilator to be placed at the lower end of Water street, near the Central railroad, to carry off the accumulation of refuse of waste gas.

The report of Milk and Meat Inspector Myers was next read and placed on file. All of the inspectors report had reference to the recent action against Dorr Dennis for selling diseased pork to the city marketmen. This pork had been purchased from John Eury, the garbage collector, and sold to L. M. Gillett, the State street marketman. The inspector had examined the diseased meat with Doctors Parker and Gerrin and it was declared unwholesome and unfit for food. The Board had taken action against Mr. Dennis for selling the meat and, being tried before Recorder Griffin, the defendant was acquitted. In this action the Board was represented by City Attorney O'Brien and the defendant by Woodson & Warren. Mr. Myers stated that he thought the matter should be brought before the State Board of Health and asked the pleasure of the Board in reference to the following resolution of Com. Tites: That the Secretary be instructed to forward to the State Board of Health the following telegram: "Send competent authority to pass on two carcasses of pork seized by the inspector. Prosecuted before recorder and acquitted. Board of Health not satisfied with recorder's decision."

Razors in the Air. The colored people held a dance in the North hall of the Academy, last night, and had a high old time. Some of the party partook of beer and whiskey between the dances and it is said that razors were flourishing in the air quite promiscuously. At one time there were six of the party on North street anxious for a fight. One female was arrested and locked up for intoxication.
