CAYUGA CHIEF.

Weedsport, Saturday, Aug. 3, 1895.

INDEX TO NEW ADVERTISEMENTS.

WEEDSPORT STEAM LAUNDRY requests callers to bring their soiled linen with them.

NEW YORK STATE FAIR will be held at Syracuse, August 26 to 30. $25,000 in premiums are offered.

HENDERSON & Co. are offering some great bargains to cash buyers, during the month of August, in all departments of their large stores.

Base Ball.

When Manager Durbin of the Watsons first communicated with the manager of the Cortland Club in reference to a game with the Watsons, the Cortland man thought that it was hardly worth while to bring his club to a small place like Weedsport to play a country club. He finally consented, however, and on Tuesday last the Cortlands came here with the avowed purpose of giving the Watsons their first defeat of the season. But they were disappointed.

One of the largest crowds of the season was in attendance at the Driving Park when the game was called. Of course everybody supposed that a club that could hold the Syracuse Stars down to three runs would, at least, give our boys a hard game. But the facts are that the Cortlands were not "in it" at any stage of the game. Deneen pitched a most remarkable game, allowing his opponents but two hits and striking out twelve men. Paul also caught a great game, not an error being charged to him. The Watsons had no trouble in hitting the Cortland pitcher, Deneen being the only man on the team who failed to hit safely. McNarr led in the batting with two two-baggers and single, while Treat was a close second with three singles. We failed to obtain the Cortland manager's views on the subject of playing with "country clubs," but we suppose they were about the same as he first expressed on the subject. Following is the score by innings:

GAMES NEXT WEEK.

On Tuesday, August 6th, the Watsons will meet the famous Palmyra club, champions of Wayne county, at the Driving Park.

The Marcellus Greys will play the return game at the Driving Park on Saturday, August 10th.

MERE MENTION.

—W. G. Adams is rebuilding his house on Jackson street.

—Miss Dora A. Lawrence is spending her vacation at home.

—Miss Ella Batchelor is the guest of friends at Baldwinsville.

—Miss Lula Kiernan is spending her summer vacation at home.

—Game Protector J. H. Lamphere has passed a civil service examination.

—Edward Church has received an increase of pension and $300 back pay.

—The same old ring "fixed things" at the Republican caucus last Saturday.

—Mrs. H. D. Brown and Miss Lizzie Howland visited Auburn on Monday.

—Mrs. William E. Robinson and daughter of Lansing, Mich., are visiting friends in town.

—Mrs. Fred Loveless and son Harold, of Skaneateles, were guests of Mrs. W. W. Holcomb last week.

—Mrs. Agnes D. Wright and Miss Hattie Rude returned on Monday from a visit to their sister, Mrs. H. Jones, at Auburn.

—Geo. A. Palmer's horse, "Tony M." was taken quite sick after the races on Thursday, but was improving at last accounts.

—The fishing last week was the best of the season so far. Some fine strings of pike and black bass were taken out of the Seneca river near Weedsport.

—On Monday next Buffalo Bill's Wild West Show will exhibit at Syracuse. The West Shore railroad will sell round trip tickets from this station to Syracuse, including admission to the show, for $1.10.

—The storm wave which Foster predicted to cross the continent between the 24th and 28th, seems to have traveled nearly on schedule time. From it vegetation in this vicinity received a wetting down that brought considerable relief.

—The long handled coal seive used as a landing net by Messrs. Hoyt and Mingus has attracted considerable attention among our local fishermen. It appears to have some disadvantages, and the CHIEF suggests a wire corn-popper as a substitute. Get your fish into the corn-popper, shut down the cover, fasten it, and you have him!

—Now help the Band "boys" to pay for their uniforms! Everybody knows that the Band is a credit to the village, and an institution that must be maintained. Therefore if you can't go to the Band excursion, August 13th, you can buy a ticket to help the "boys." They have played for the public all summer. Now it is your turn to do something.

—Owing to the cold, damp weather a small crowd attended the races at the Weedsport Driving Park, on Thursday. Nevertheless two good races were run. In the 2:50 class there were eight starters and it required five heats to decide the race, it being finally won by "Mary Ann," owned by T. M. Clark of Marion. In the 2:29 class there were five starters and it was won by "Opal Patchen," owned by F. L. Brewster, of Clyde, in three straight heats.

—The Casket Factory and Novelty Works enterprise is progressing. During the past week, the masons, Morgan and Zimmer, have completed the wall of the main building. The Lehigh Valley Company has put in a side track, so that cars can now be switched off and run directly in front of the building. As soon as the lumber arrives the work of erecting the building will go on rapidly. It is hoped that the main building will be ready to receive the machinery (which will be moved here from West Virginia) in about thirty days.

—Persons wishing to attend the excursion to Syracuse and Pleasant Beach, under the auspices of Weedsport Cornet Band, Tuesday Aug. 13th, can secure their tickets from any member of the Band or at Marquisee's clothing store. Pleasant Beach is the finest summer resort on Onondaga lake and has a great many attractions. Boat will leave the dock at Weedsport in the rear of Kevand Brothers store at 7 o'clock, A. M., stopping at Port Jakes and Jordan for passengers. Fare for round trip 50 cents, children under 10 years 25 cents.

—Many families are now using whole wheat flour. Since the CHIEF recently spoke of its superiority as food, Sturtevant has sold large quantities and has been obliged to order fresh supplies to keep up with the demand. It is called "Eureka Health Flour," is made from white wheat, the entire grain being reduced to uniform fineness. It is quite different from Graham flour, and makes bread, not white, but of a light cream color. Physiological research shows that it is the ideal food to supply the waste of the body and to invigorate the nervous system.

—Mrs. Willard Sturge has been spending a few days with friends in "Bonnie Castle" on the Oneida river. This institution is a floating house, or summer cottage, similar to those on the Thames, which can be moved about in any direction with constant change of scenery. The exterior is plain, but the interior is fitted up with all the conveniences of a first-class dwelling, containing kitchen, cooking range, pantry, an elegant main saloon, bath rooms, etc., etc. It is a novelty, and is owned by Royal H. Thom, and was built at Brewerton last winter and spring.

—Sennett has a sensation. Charles Darling, grocer, has been arrested and taken before U. S. Commissioner Adams, at Auburn, upon a charge of selling lager beer without having taken out a government license. The charge is made by Lyman Bliss, who formerly worked for John F. Acker's Weedsport bottling works, but now lives at Jordan. He, his wife and father in law have testified to drinking lager at Darling's grocery. Mr. Darling, who has J. F. Quigley of Weedsport, as counsel, is making a stout defence. He claims that the charge is false; that it is made by Bliss from malice, because the latter owes Darling a grocery bill of some $30, that he has been trying to collect. The examination has been postponed till Wednesday next.

—The Watsons play a return game at Cortland to-day.

—Miss Jessie Shank is visiting her sister at Union Springs.

—The Corset Factory has shut down while taking inventory.

—Miss Nellie Brennan is visiting her parents at Hannibal Centre.

—John Bull and Hugh McCabe have been discharged from the state scow.

—Veni, vidi, vici!—We came, we saw, we conquered—nine goose eggs!—*Cortland B. B. Club.*

—Don't forget the date of the Band Excursion to Syracuse and Pleasant Beach, Tuesday, Aug. 13th.

—Miss Jennie Gillick, Palmer's popular milliner, is spending a four weeks' vacation at the Thousand Islands and at her home, Belleville, Ontario.

—Harry Chadderdon caught a big pickerel in Cross lake the other day. The fish measured thirty-seven inches in length and weighed twelve and a half pounds.

—The first annual race meet of the Lyons Wheelmen's League is to be held at Lyons, on Wednesday next, Aug. 7th. Prizes valued at $600 are to be given in the various events.

Millard B. Coburn.

A good man has crossed the dark river. Millard B. Coburn, of Sennett, died after a short illness on Friday night of last week. He was born in Sennett, May 28th, 1831. His father, Rev. Keyes Coburn, was a widely known and much respected clergyman of the Christian church. Millard's earlier years, after he reached an age to care for himself, were spent in the western country. When Fort Sumpter was bombarded he volunteered in his country's service, and went to the war as a private in the 24th Wisconsin. He served with distinction, rose to the rank of First Lieutenant and was severely wounded by a minnie ball passing through his elbow at the battle of Chickamauga. He served under Sherman in his march to the sea, and was honorably discharged in June, 1865. He returned to his native town, and in September of the same year was married to Miss Lydia C. Cook, of Elbridge, who survives him. For twelve years he held the office of justice of the peace in Sennett. In 1889, he was appointed superintendent of the County House and held the position till death. He was instrumental in organizing a lodge of the Ancient Order of United Workmen, at Sennett. He was likewise a member of the G. A. R., and a prominent member of Weedsport Lodge, No. 385, F. & A. M., of which he at one time was Worshipful Master.

The writer hereof first became acquainted with deceased in 1871. Then and many times since he gave to the writer the most convincing proof of true and unselfish friendship. His death comes to us now as a personal sorrow. He was a good man in every sense of the word. Honest, friendly, frank and free, he was as true to his friends as the needle to the pole. Withal he was a man with remarkably tender feelings and large sympathy for his fellow men. He was an ideal officer in the position he held at his death. The poor lost a friend by his death.

The funeral services were held at the Baptist church in Sennett, on Wednesday afternoon. Rev. J. Wilson Brainard, the genial pastor of the Presbyterian church at Sennett, conducted the services, and did ample justice to the deceased in his interesting discourse. The choir sang with fine effect, two hymns that the deceased had himself selected. The large congregation was moved to tears.

About fifty members of Weedsport Lodge, F. & A. M. in a body, attended the funeral of their brother. There were also present representatives of the G. A. R. and A. O. U. W. The burial at Fort Hill, Auburn, was with Masonic honors.

Mr. Coburn leaves a wife and one brother, J. Marvin Coburn. He had no children.

Republican Delegates.

The local Republican bosses held a little meeting last Thursday evening, fixed up three tickets for delegates (putting themselves in what they considered the most desirable positions) got the tickets printed, and ratified their choice on Saturday at the caucus. What outsiders attended the caucus for, nobody knows. There was only one ticket—no opposition—some were disgusted, while others did not vote at all. There was much kicking against one name on the district delegation, but as there was no other candidate, all were "elected." Those names on the ticket who are not members of the ring were placed there by the ringsters because the latter did not dare take the risk of going into caucus with an entire ring ticket.

The outcome was the election of the following delegates, viz:

District—F. M. Parsons, John Kevand, John B. Smith, H. L. Burrill, H. Lafine, Jr., Burt E. Sheldon, W. E. Churchill, Jas. H. Lamphere, Levi T. Hamilton, A. O. Titus.

Assembly—C. C. Adams, J. D. Kanaley, D. W. Cady, Geo. H. Weyant, Ray Sheldon, W. S. Sitser, LeRoy Crim, E. A. Lamphere, Geo. R. Nash, Howard Meech.

County—W. H. Eldredge, F. N. Burritt, Chas. S. Carywood, Frank Tryon, Benj. J. Hoyt, A. J. Wesley, Edward Travis, Geo. W. Cowell, Frank Sheldon, C. H. Wilson.

Gas for Weedsport.

Messrs. Hammond and Seymour of Seneca Falls, who have had eight years experience in putting down gas wells, were in Weedsport on Thursday. They believe that natural gas can be had for the boring in this vicinity, and want to try the experiment at their own expense. Seneca Falls, Fulton, Sandy Creek, and other towns have natural gas. If a good supply can be reached here it would be a great blessing to the public and would probably double the value of real estate.

These gentlemen will apply for a franchise under certain restrictions, to pipe the streets and supply the gas to customers. Their enterprise involves no expense whatever to the village, nor to our citizens unless they see fit to buy the gas for use.

Nothing Strange.

Intelligent people, who realize the important part the blood holds in keeping the body in a normal condition, find nothing strange in the number of diseases that Hood's Sarsaparilla is able to cure. So many troubles result from impure blood that the best way to treat them is through the blood, and it is far better to use only harmless vegetable compounds than to dose to excess with quinine, calomel and other drugs. By treating the blood with Hood's Sarsaparilla, scrofula, salt rheum and what are commonly called "humors," dyspepsia, catarrh, rheumatism, neuralgia, consumption and other troubles that originate in impurities of the blood or impaired circulation, can be cured.
